

**BECOME**  
**A MASTER**  
**OF SELF...**  
**AND NEVER A**  
**SLAVE AGAIN!**

*"Good News! The day is fast approaching when each and every individual will be conscious of their Divine Nature. When each and every individual will be a Master of Self and never again slave to someone or some thing outside themselves. There is no better government than Divine Self Government and no better control than Divine Self Control. The only real government that will ever work is the one that resides in the hearts and minds of those who are conscious of their Divine Nature."*

# **THE ONLY GOVERNMENT THAT WILL EVER WORK!**

There is no government on earth, that will set you free. For the unconscious world lives in survival mode. There's no better government than being a Master of Self. The only government that will ever work, is self-government in the minds and hearts of those who are conscious of their True Divine Nature and Identity. Unless we change the environment within, our outer environment will never, ever change. There's no better control than Self Control. Become a Master of Self and never a slave again.

# **YOU ARE A POWERFUL DIVINE BEING!**

Every single Human is a Spiritual Being, who has a Sovereign Right to bask in the Divine Flow of Eternal Life. No man, no government, no religion, no corporation, or society, has the right to deny a Divine Human Being of that Freedom. Don't ever let anyone tell you, you are too inadequate to take back your True Divine Identity. Because You have the Divine Power, to take it back. You can do it! In fact, Divine Power belongs to You. Power is not something to be used on someone else. Divine Power is only to be used on our Self.

We can share our Divine Power with each other for the purpose of creative Oneness. But no one, has the

right to use their power on, or against someone else. In fact, You have no right to use your own Divine Power against your Self. You only have the right to exercise Power within for the Divine Purpose of Self Control, healing, growing, and maintaining Balance. It is called ***Self Control*** for a reason. It means your business is to control your Self. It is not your business to control others. The Master said He was about "Alaha's(\*) Business", which is the business of resonating in tune with the Divine Nature of the One Life that lives All. So let's make it our business to exercise Divine Power only for Good. Imagine the difference it would make on this planet if each one of us applied the above.

## **STOP LOOKING OUTSIDE YOUR SELF!**

We are here to tell you to stop! Stop looking for love, truth, and/or government outside self. Because You ***Are*** that Love. You ***Are*** that Truth and Light. We can't say that enough. Because it shall become the new Message in this New Age we are now entering. From now on the New Message (the Real Good News) is going to be repeated over, and over to all nationalities on Earth. And, why not repeat the Good stuff over and over? Because we have to start overcoming the repetition of all the bad stuff the media spews out daily to program and distract us. So we need to clean out that corrupted program and restart our own new Divine Program once again.

# LEARN TO FEEL YOUR DIVINE NATURE!

We are telling you the truth when we say, Real Government will only come when You know what Divine Love, Peace, Joy, and Freedom feels like flowing within You. Because unless you know what Divine Love feels like, how can you ever love your Self? And, if you don't know how to love your Self, how will you know how to love someone else? The same is true for Divine Peace. You cannot be at peace with others if you don't know what Divine Peace feels like. Are you ready to practice basking in, and feeling the Divine Flow of Peace that is always there resonating within each, and every one of us? It is time! Yes, Now is the time to do it. Real Government has to start here within us. It is the only Way! It is the only Truth, and it is the only Life! The only Freedom there will ever be. It is all abundantly there waiting for us to take it in and soak it up. Flowing in us. We were created with receptors to feel it in every cell of our body. Let's wake up those receptors now!

We long for the Grand Day when Self Government, is restored on earth. For Alaha(\*) has said "Behold I **Am** making **All** things New!" You don't have to wait for that Day. The Day is **Now!** Become conscious of the **New** living You today!

# WAKE UP! GET READY TO EMBRACE THE COMING AGE OF SELF GOVERNMENT!

Yes, That's Right! Wake Up! Discover the Divine Government Within! Awaken to Reality! Yes, Reality! Because this is not some fantasy, or delusional dream. It **is** going to happen! Look no longer outside "Self" for someone to save You. Be who you were born to be and not the false identity You were programmed to be! You are Love, Light, and Divine Oneness. Don't pretend to be something else. Let's choose to discover the Master within and no one can ever enslave us again.

Wake up dear Divine Child. Revelation and **not** revolution. You want a new government, do you? Then stop looking outside your Self. That government you long for already exists within you. You are Divine Peace. You are Divine Love. You are Divine Light. You are the Master. You, are that Government! Become conscious of that Divine Government within You! Know it! Live it! Go out and test it! Give without expecting anything at all in return and experience within what that feels like. It's a beautiful feeling! It's your True Nature! Who You **are**! Prove it to your "Self"! Let it shine out! This is the New Message! It will change the world! It is Good News too! Remember this: The day is fast approaching when the only Government that will ever exist is the one that resides in the minds and hearts of those who become conscious of their Divine Nature. Again we say it. Because we cannot

repeat it enough! **Stop! Be still...** and **know** what is Divine within You. Let go and resonate in tune with the Divine Consciousness of Alaha(\*).

## **YOU WERE PROGRAMMED TO FEEL WEAK AND NEEDY! YOU WERE LIED TO!**

Humans have been programmed and conditioned to feel needy and inadequate. To look outside Self for someone or some “thing” to make them feel good about themselves. This has enslaved them to be controlled instead of becoming a Master of Self. But in Divine Reality, we can never be inadequate. We can only become unconscious of our Divine Adequacy. A mental conflict of good and evil was manufactured to divide us within, so we would be distracted from remembering our True Divine Identity. It is that conflict that has contaminated our Purenness.

No other being can destroy a Divine Being. But... if they can make Divine Beings unconscious of their Real Divine Nature, they can control them, turn them against each other and make them harm their Self over, and over again.

The distractions of the unconscious fear based system have been cleverly devised to keep us so busy and enslaved that we have very little if any time left to discover our Divine Nature. Distractions

that prevent us from realizing we are Divine Beings kept in an unconscious state. To prevent us from knowing how powerful we are as Divine Beings. But the Good News is, we can wake up anytime we want and stop hurting ourselves and each other.

It takes a very strong-willed and determined person to separate his or her self from the world. And, it won't be a popular thing to do. But if we truly and sincerely seek Divine Love and are willing to let go of world influences, we can overcome this ego based system. Together, we can set our "Self" free. The answer lies within us and not by looking on the outside. We are hardwired with a Divine homing device. Once we clear away all the distractions from the world, we will hear it loud and clear.

**BECOME CONSCIOUS OF THE  
REAL DIVINE YOU!  
NOW IS THE TIME TO CHOOSE!**

You can choose to become conscious of the Real Divine You. One day it will be the only choice, because you will come to understand that nothing else can ever work. How sad that humans haven't been able to understand this down through millenniums. The Good News is that silently, and almost unnoticed, more and more people are starting to regain Consciousness. They are everywhere. It will be recognition and revelation of Divine Self that will cause a shift, and it will not, and

cannot be revolution. Anyone who promotes revolution is unconscious and becomes part of the unconscious world. Anyone who fights to expose the lies of the world, will become part of the unconscious world. It's not our job or business to expose the lies. That's Divine Light's job. It's not our business to find out who made us unconscious of our True Divine Identity. That would be a waste of time and energy. Our business is to focus on becoming aware of our True Divine Nature and empowering others to do likewise. It is **Consciousness** of who we **Are** that will change the world. **Not** revolution!

Don't become distracted trying to patch up a broken world. Instead of trying to patch up a broken piece of pottery, why not be the moist clay on the potters wheel, about to become something new?

So the time has come deny our fake identity that was forced on us. We are taking back our True Divine Identity! The "First Truth" is this: We are **All** One Life! We are **All** Alaha living us. There is **no** separate Life! Period! We cannot emphasize this enough! Because we dwell in an unconscious world of racism, hate, fear, division, and programming. We mock Alaha and reject our True Divine Identity when we abuse or label someone by a color, by appearance, by gender, by age, or any other class. When we look into the eyes of another Being, should we not do so with reverence, respect, amazement, and Love? The first thing we must see and acknowledge about someone else is, they are Alaha living them. Let's empower each other to feel the

Divine Flow of Life, Light and Love living us and start seeing it in everyone else.

Again, the Good News is, You already are Divine! It really is that simple!

So, put your hand on your heart right now and with every word, tap your heart and declare: ***"I Am Love! I Am Truth! I Am Awesome! I Am Divine Light! I Am A Divine Being!"*** Because you ***Are!*** You really ***Are!*** You have these to govern you! Once You know, feel, and resonate in tune with your Divine Identity and Nature, You will do Divine. You will know your True Purpose.

Footnote: (\*)

*The Aramaic word for "God" is 'Ēlāhā, or Alaha. Alaha is our very breath, our very heartbeat, and our very Life. We can say that Alaha is the One Divine Life that lives All everywhere. Actually, we don't live our own life because Life doesn't belong to us. Alaha is the One and only Life that flows in us and we ourselves, are within, and part of Alaha. Alaha is the Essence of or True Divine Nature and Identity.*
